

A Message from the Executive Director

Since 1969 the 2000 Club has been raising funds for capital needs projects that have greatly impacted churches and missions in Alaska. Land has been purchased for new church sites. New church facilities have been constructed or repaired for worship and education. Several churches have upgraded their facilities. Imagine what \$20,000 would mean to a church or mission. If 2000 people, mission groups,

Sunday School classes, and other groups, gave \$10 a quarter, God's money would not be paid out in interest on borrowed money.

Fairbanks, Alaska
recipient of First Call 2009

Eighty percent (80%) of Alaska Baptist churches average less

than 100 in worship each Sunday. There are great needs among the Native, International and Ethnic populations in Alaska. The 2000 Club assists in establishing lasting work. If Alaska Baptists are to take The Great Commission seriously, we must provide capital funds for our churches and missions. New churches are needed throughout Alaska to meet the spiritual needs of our people.

Join the 2000 Club and become an active participant in raising capital funds to help reach the people in the Great Land called Alaska.

2000 Club

Purpose:

The purpose of the 2000 Club is to provide a resource of capital funds for selected Alaska Baptist mission projects. The Club, sponsored by the Alaska Baptist Convention, provides a channel through which Southern Baptists work together in a cooperative mission strategy.

Funds collected are sent directly to the designated mission project recipient at the end of each month.

It is most helpful to the mission project if your gift is sent during the designated quarter. In this way, the project recipient has an idea of the total gifts available to them.

Alaska Baptist Convention

Who

The 2000 Club seeks to enlist 2000 mission-minded people who will give at least \$10 a quarter to each mission project. Larger gifts are often given. Over eighty percent (80%) of all gifts in 2006 were above \$10.

The Alaska Baptist Convention Mission Committee receives requests for project assistance. They recommend selected projects to the Executive Board of the Alaska Baptist Convention for approval. In the event there are no requests made for a quarter, the money raised will go to support Bush Evangelism and Ministries.

How

A 2000 Club Call letter is inserted in the Alaska Baptist Messenger in January, April, July, and October. The letter contains details for the selected project in that specific quarter. Gifts may be mailed in the return envelope provided.

Where

The funds are always used in Alaska for Southern Baptist churches and missions.

The church or mission works with their Director of Missions in projecting the cost of a project.
